ALIEN PARTY BINGO

How to Play · 10 unique cards + caller sheet

1. Give each guest their own card; middle square is FREE.
2. Host cuts out the caller squares, drops them in a bowl, draws one at a time and reads it out; mark it if you have it.
3. First to 5 in a row (across, down or diagonal) yells 'COVER-UP!' and wins.

PARTY VERSION (NO CALLER)

Mark a square when it actually happens at the party, like someone saying 'Area 51' or putting on a tin foil hat.

Print on US Letter. Cardstock feels extra classified.
Print one card per guest from the 10 unique cards inside.
Caller sheet is at the back — print, cut out the squares, bowl ready.
