ELECTION NIGHT BINGO

How to Play · 10 unique cards + caller sheet

1. Give each guest a card. Middle square is FREE: I VOTED.
2. Host cuts out caller squares, drops them in a bowl, draws & reads one at a time. Mark it if you have it.
3. First to 5 in a row (across, down or diagonal) yells 'CALLED IT!' and wins.

WATCH-PARTY VERSION (NO CALLER)

Mark a square when it actually happens on TV or in the room — someone yells at the screen, the map flips, champagne opens too early. Satire that roasts every side. Entertainment only.

Print on US Letter. Cardstock feels extra classified.
No real candidate attacks. No verdicts. Just vibes.
Caller sheet is at the back — print, cut, bowl ready.
